Civil Action No. 12-7079 (FLW)(LHG) **DECLARATION OF CRAIG S. HILLIARD DEMONSTRATING COMPLIANCE WITH SERVICE TERMS OF TEMPORARY RESTRAINING ORDER**

1

Craig S. Hilliard, of full age, upon his oath deposes and says:

1.   I am an attorney at law admitted to the Bar of this Court, and I am a shareholder of Stark & Stark, P.C. I am counsel to plaintiffs in this action. I make this Declaration in support of plaintiffs' compliance with the terms of the Temporary Restraining Order entered on November 20, 2012 (the "TRO").

2.   The TRO directed me to file a sworn statement by November 30, 2012 setting forth: (a) the date on which the Order was executed, (b) the date and means with which the Defendants were served with a copy of the Order, and (c) a description of the domain names, web sites and other assets that were disabled and/or restrained.

3.   The TRO was executed and entered by the Court on November 20, 2012.

4.   The Defendants were served by registered electronic mail on November 29, 2012. A copy of the registered receipt for all of the electronic mailings is attached hereto as Exhibit "A". Only one e-mail was unconfirmed, for Defendant, www.maggiebrides.com. The e-mail address was sales@maggiebrides.com. I will continue to attempt to locate an additional e-mail address for this Defendant, and will update the Court with a further Declaration.

5.   No domain names or websites were disabled under the TRO, because the Court did not enter that aspect of the interim relief sought by Plaintiffs on the application for temporary injunctive relief.

6.   I gave written notice of the terms of the TRO to a number of financial institutions/third party processors and payment providers, such as PayPal, Visa and Mastercard, and to date

I have been advised that certain accounts owned or registered to Defendants have been

restrained. That information is summarized in the letter attached hereto as Exhibit "B".

7.   I declare under penalty of perjury that the foregoing is true and correct.

                                        s/Craig S. Hilliard
                                        CRAIG S. HILLIARD

Dear Craig S. Hilliard,

Thank you for contacting PayPal, Inc. ("PayPal"). We are in receipt of the Temporary Restraining Order ("Order") in the above captioned case. After researching our system for the information contained in the Order, we were able to locate and limit access to the following accounts:

Please note that this does not mean that the Account balances will remain the same or that we can turn the Account balances over at this time. The following actions may reduce these balances:

1. If the user loses a buyer complaint or chargeback, then the amount of that transaction will be debited from the Account balance; or
2. Rather than wait for the outcome of a buyer complaint or chargeback, the user can refund the transaction amount for the buyer complaint or chargeback; or
3. Any other transaction reversals

For these reasons, we are holding the Account balances for up to 180 days pursuant to our security interest in these account balances.

So that we can take appropriate action related to the accounts identified above, please notify us immediately if there is any change in status regarding the Order (i.e., whether the Order was extended, whether a further order was entered, or whether the Order expired without the entry of any further restraint with respect to the Accounts). In the event a relevant Order was entered since the entry of the Temporary Restraining Order, please include a copy of the Order with your report.

If we do not receive an additional order permanently restraining the funds at issue or a judgment in your favor in this matter, the funds being held pursuant to our security interest will be released on May 26, 2013 to the accountholders (which is the expiration of the 180 days identified above). Additionally, if the original Order required that PayPal NOT inform the accountholder of the Order, please let us know immediately when that requirement is no longer in effect as it is important that we have the ability to communicate freely with our accountholders.

Should you have any further questions or need any additional information, please feel free to contact me directly by phone at (402) 938-3613 or by fax at (402) 537-5765.

Sincerely,
